

Working Together For Your Care

Are you over 65 years old?

OR

Do you care for someone over 65 either as a professional or carer?

If so, we would love your help!

Health and Care teams and the community/voluntary sector in Harrow are working together to develop an improved and joined-up health and care service for our over 65s.

We held two events earlier this year which were well attended and gave us valuable information to help us in developing the improved service. We would like to invite you to the next in that series of events, to feedback on progress and also to reach out to more frontline staff and members of the public.

To register, please email collaborating.harrow@nhs.net OR phone Foziya on 0208 966 1181

Please note that spaces are limited and will be issued on a first come first served basis
